<b>Total Estimated Revenue:</b>						\$ 269,760.00				
<b>Percent of unpaid tickets:</b>						<b>69.32%</b>				

**Notes:**

- 1.) The FOI response did not include revenue figures. Tickets given out at Interior Health hospitals have a face value of \$57 as reported by Impark. The actual amounts paid per ticket are unknown.
- 2.) This is not the face value fine on each ticket, rather it is the average ticket value based on the number of tickets that were paid and the total collected revenue.
- 3.) This figure is not the actual amount collected per institution. It is based on the theoretical average ticket revenue for the entire health authority.
- 4.) Estimated by the contractor based on extrapolation from random counts
- 5.) The FOI response did not include revenue figures. Tickets given out at Fraser and Coastal Health hospitals have a face value of \$80 as reported by Impark. The actual amounts paid per ticket are unknown.
